completing his residency at St. Luke's Hospital in Chesterfield, Missouri, before finishing his fellowship in cardiovascular disease at the University of Illinois College of Medicine in Chicago.

Dr. Katyal provides a range of effective services and treats a

number of conditions, including atrial fibrillation, aneurysms, angina, acute coronary syndrome, aortic valve disease, congenital heart defects, hypertension, and heart murmurs.

To develop a clear, in-depth picture of your heart health, Dr. Katyal specializes in state-of-the-art cardiac imaging and testing such as stress testing. He has also been recognized on the Healthgrades Honor Roll and is on staff at Christian Hospital, Missouri Baptist Medical Center, Barnes-Jewish St. Peters Hospital, Progress West Hospital, South City Hospital, and St. Luke's Des Peres Hospital, all in Missouri. He holds privileges at Gateway Regional Medical Center in Illinois.

Knowing the vital importance of this organ to your well-being, Dr. Katyal offers the highest level of health care and the latest cardiological advancements to help you take better care of your heart.
