[Back to top](#)

In 1987, Dr. Lele relocated to the United States from Bombay, India. A distinguished ophthalmologist, Dr. Lele has been in practice since 1993 and has been a dedicated member of Saint Louis Eye Clinic since 2001. Dr. Lele specializes in corneal and external disease, bringing a wealth of expertise to the field.

Dr. Lele completed his medical education at Grant Government Medical college in 1982, laying the foundation for his subsequent accomplishments in eye care. Patients under Dr. Lele's care appreciate his professionalism, kindness, and thorough approach to their eye health. His commitment to providing comprehensive and compassionate care further underscores his reputation as a respected practitioner in ophthalmology.
