Connect With Us

SSM Health Vascular Services combines advanced technology and experienced medical specialists. Our highly-skilled physicians work in state-of-the-art endovascular suites, hybrid surgical and specialized operating rooms. With over 40 locations in the St. Louis and surrounding areas, SSM Health provides convenient health care services for the entire family.

SSM Health Vascular Services, near SSM Health St. Joseph Hospital, is located in Medical Building 1, which is the building located to the west of the hospital. The suite is the second door on the right when you enter the building's main lobby. Parking is available in the Medical Building 2 parking lot.

In 2021, this location received the Healthgrades Quality Rankings & Specialty Excellence Award in the area of vascular surgery.
