GLOBE-MARXISTS and LIBTARDS are gnashing their teeth in agony as yet another one of their cherished institutions is being targeted for dismantling by the **Q / Trump Operation**. This development is, in our estimation, every bit as significant as the obliteration of the Fake News (*which, yet unbeknown to normies*) has actually already occurred. You see, it was the weaponized **Department of Education** -- and before that, **HEW (Department of Health, Education & Welfare)** -- which, by design, served as the vehicles for implementing the hidden Globalist agenda of **UNESCO (United Nations Educational Scientific and Cultural Organization.)**

Through Federal mandates as well as "voluntary" Carrot & Stick initiatives for the State & Local downstream, every form of error and moral contamination ever imposed on students came down through the DoE or its HEW forerunner. It started with seemingly harmless insertion of 1950s "internationalism" and the "metric system" into curriculum, and has culminated with the homo-tranny-pedo madness of today. Generations of patriotic and Christian parents never saw it coming -- until they woke up one day and their once happy and healthy child was a 60's commie hippie or modern day homosexual climate fanatic. The Fake News and Hollywood -- also now under relentless assault by the Q Operation -- were part of this "educational" program as well. One by one, the foundational support columns of Satanic Globalism are being imploded.

1. Milton Eisenhower was a Marxist-Globalist "educator" and most trusted "advisor" to his brother, President Dwight D. Eisenhower -- who established HEW in 1953. // 2. Milton served as president of three different universities -- and introduced and promoted UNESCO garbage each time. (Above, at Penn State) // 3. Globalist Jimmy Carter established Education as its own separate Cabinet level department.

The current scene in the Q Movie features "Democrats" (*either actors or "under submission"*) playing their assigned roles as helpless tantrum-throwing fools -- utterly pathetic and powerless in the face of the Trump-Musk steamroller. From the Q York Times article:

"Senate Democrats demanded answers from the Education Department on Thursday about the scope of Elon Musk's data collection efforts at the agency, which appears to be a focus of the Trump administration's cost-cutting initiative.

The letter, by a coalition of 16 lawmakers, reflected growing concern about the aggressive

It came as the White House has been discussing the possibility of issuing an executive order to effectively shut down the Education Department, according to people familiar with the conversations."

The Ds will helplessly huff and pathetically puff as Commander Trump's aura of "authoritarianism" invulnerability reaches Hitlerian proportions. It's starting to look like 1933 again -- and that's a good thing in our book!

The Department of Indoctrination will be no more.
