NY Post: "New "Federal Secrets" Task Force Launched on Capitol Hill

*Rep. Anna Paulina Luna believes '**there were 2 shooters**' in JFK assassination*

Rebuttal by:

The long awaited "ice-breakers" needed to *really* bust up the now hairline-cracked solid ice block of the Normie mind appear to be in sight. Q Operative Congressman **James Comer** has just appointed Q Operative (*and military veteran*) **Anna Paulina Luna** to head

and the more contemporary conspiracies surrounding the false flag attack of 9-11, the Stupid-19 "pandemic, and Epstein's Child Rape Island. The main courses won't begin to be served to us until March, but as an "appetizer," Little Paula -- promising a "thorough investigation" of these matters-- just served up this tasty morsel:

*"Based on what I've been seeing so far, the initial hearing that was actually held here in Congress was actually faulty in the single-bullet theory. **I believe that there were two shooters.**"*

The **all Republican** and mostly young task force roster consists of seven Q operatives *(four of them with obvious military connections)* **all elected within recent years!**

Paulina Luna (FL / Elected 2022 / US Air Force)

Tim Burchett (TN / Elected 2018)

Lauren Boebert (CO / Elected 2020)

Eric Burlison (MO / Elected 2022)

Eli Crane (AZ / Elected 2022 / US Navy Seal)

Brandon Gill (TX / Elected 2024 / grew up on an Air Force base)

Nancy Mace (SC / Elected 2020 / daughter of a Brigadier General, graduate of the Citadel Military College)

What a lineup! And the fact that the three females on the force are feminine and attractive is an especially tactical touch. Boy normies will like them and the girl normies will identify with the efforts to expose the generational lies of the Old Boys' Club. But behind the skirts, we believe that it is the no-bullshit "badass" Mr. Eli Crane of the US Navy Seals who is the true Captain of this Task Force being fronted with pretty faces.

Congressional Task Force on "Federal Secrets"

L-R: Luna, Mace, Boebert, Crane, Gill, Burchett, Burlison

Of course, as expected, the Black Pill dealers and addicts are already dismissing the new task force as a "limited hangout" which will consist of incomplete files and heavily redacted documents. Oh well, pessimists gonna "pessimize." However, don't be surprised or dismayed if indeed a theatrical struggle for all of the documents ensues. In fact, we expect exactly that. What better way to add even more drama than the staged spectacle of a suspicious refusal on the part of certain make-believe Deep Staters to come clean.

We can further expect that the formation of this task force and its expected findings on past assassinations will roll seamlessly into an "investigation" (*anti-Deep State frame-up job*) into the FAKE assassination attempt on Trump from last July. Recall what we wrote about that particular movie scene in the [ANYT issue of July 23, 2024](#):

"The FAKE persecution of this FAKE Secret Service Director over a FAKE shooting constitutes a positive -- though still not 100% conclusive -- indication that the ongoing "investigation" may ultimately culminate in the discovery of a Deep State conspiracy to penetrate Trump's protection team and set up an "inside job" a la JFK and RFK. In other words, the White Hats may have framed the powerless Black Hats for this horrible imaginary crime."

This TasQ Force is going to be fun to watch!

1. All a movie -- by White Hat Productions. // 2. Paulina is telling us what's coming.

Boobus Americanus 1: I read in the Anti-New York Times today that Congress is going to reopen the JFK investigation.

Boobus Americanus 2: Well, I'm not a conspiracy theorist, but something has always sounded a bit off about the official story.

St. Sugar: Soon, Boobuss. Ssoon.
