NY Times: Trump Suggests No Laws Are Broken if He's 'Saving His Country'

*President Trump shared a quotation on social media **attributed to Napoleon**, making it clear it was one he wanted people to absorb: "He who saves his Country does not violate any Law."*

Rebuttal by

The Anti-New York Times

The dwindling Deep State media remnant as well as the Q-controlled "Left" media (*such as QNN and the Q York Times*) went into wall-to-wall whining mode on this delightful development. From the article:

"President Trump on Saturday posted on social media a single sentence that appears to encapsulate his attitude as he tests the nation's legal and constitutional boundaries in the process of upending the federal government and punishing his perceived enemies.

"He who saves his Country does not violate any Law," Mr. Trump wrote, first on his social media platform Truth Social, and then on the website X.

but one he wanted people to absorb. The official white house account on X posted his message in the evening."

The Q / **Trump** posting committee knew exactly what they were doing by bringing The Great One of 18th Century France into the public consciousness. Norm and Norma Normie might not grasp the full significance of this "comm," but those of "youse guys" who have read "[Napoleon vs. the Old and New World Orders](#)" (by yours truly) know full well that Napoleon triumphed over (until he was ultimately defeated by) the very same Rothschild / British Monarchy Cabal which the Q team has already dismantled - *permanently* this time! Get it?

His great name has been suddenly amplified.

1 & 2. The 1934 Hollywood film, House of Rothschild (a sympathetic portrayal of the Rothschilds) depicts Rothschild gaining concessions from British and Prussian aristocrats before lending them money to fight Napoleon (who had shut down money lending in France). // 3. A Q search yields 25 posts exposing the Rothschilds. One post, (#150) mentioning only "LdR" (Lady deRothschild) actually threatens the family: "We know whe[R]e you / the family are at all times and can hear you breathing."

This incident represents a good "teachable moment"™ for informing or reminding readers what Napoleon Bonaparte accomplished. In the chaotic aftermath of the Cabal-engineered French Revolution which toppled (and mass murdered) the old aristocracy of France, Napoleon emerged and destroyed the murderous atheistic Jacobin tyranny (early *Bolsheviks*) which called itself a "republic" -- as well as the libtarded cousins that replaced them (*The Directory*). He did indeed "save his country."

Though he named himself "Emperor," France remained an "egalitarian" nation governed fairly by the rule of law (*the Napoleonic Code*) – a true meritocracy. He also curtailed, [by decree](#) ("Executive Order"), the lending of money at interest while forgiving all debts owed to Jewish money lenders. For this reason, the Rothschild Crime Syndicate, as well as the other monarchies of Europe, became anxious to dispose of him. To that end, the Rothschilds financed the last several British-led "Napoleonic Wars" (including the decisive *Battle of Waterloo*) – which were all imposed upon France.

COMM IS ABOUT.

Winning.

1. The peace-seeking Napoleon was finally defeated by a joint force of British and Prussians at Waterloo (though the British still claim all of the credit) // 2. Perpetually mocked by British Fake News // 3. Nathan Rothschild had advance notice of the result at Waterloo, and used it to capture the London stock market and vastly multiply his already massive fortune. // 4 & 5. In 2023, "Sir" Ridley Scott (a British Knight!) produced a hyped movie casting the loony Joaquin Phoenix to portray Napoleon as a "conquering" mad man.

Boobus Americanus 1: I read in the Anti-New York Times today that Donald Trump posted and pinned a pro-dictatorship quote from Napoleon.

Boobus Americanus 2: Napoleon in the 1800s, Hitler in the 1900s -- and now Trump in the 2000s. It seems that every century spawns a dictator.
