Rebuttal by

With the days of the rotten regime of Ukraine suddenly numbered and the 8-year-long **Trump-Putin "bromance"** now out of the closet and visible for all to see, is it fair to say that **NATO (*North Atlantic Treaty Organization*)** is dead --- carrying on for a while longer in name only? Yeah --- I think so. Another headline, from one of a dozen or so Q York Times articles of just these past several days: **Trump Turns Toward Russia and Against Ukraine**

Oh, the winning!

Among the religious devotees and dupes of NWO Globalism, NATO has always ranked right up there with the United Nations, the European Union, the World Bank and the International Monetary Fund as "indispensable" institutions of "global stability." The truth is, that from its inception in 1949 to the present day, NATO has always been a destabilizing war-making organization in service to the Globalists.

The initial beginnings of NATO actually trace back to the **Treaty of Brussels** of 1948 among Belgium, France, the Netherlands and the UK -- four European states which had conspired to start World War II in the first place. Economically ravaged and militarily weakened by the war, and hence, vulnerable to hidden US-CIA domination; the four dying colonial powers agreed upon a mutual defence system which would soon include all of Western Europe plus the USA.

The Alliance's first Secretary General, Lord Ismay, explained that the aims behind the new military bloc were to: **"keep the Russians (Soviets) out, the Americans in, and the Germans down."** NATO, after having achieved all three of the objectives set forth by Ismay, and after outliving the Soviet Union and its Eastern European vassal governments, has since expanded eastward into a 29-member force -- adapting the "keep the Russians out" element into one of "menace the Russians." Admiral **Vladimir Komoyedov**, defense committee chairman of the Russian Duma (*lower house of Parliament*), put it this way:

They would even admit the North Pole to NATO for the purpose of encircling Russia."

Tell it, Admiral. Tell it!

the CIA (born 1947) enabled the Globalists to begin shaping the corrupted and libtarded European Union of today. The eastward-expanding NATO (born 1949) was to eventually include the Ukraine as a key element of the New World Order's final push against Russia.

As we saw with the barbarism unleashed upon Yugoslavia, Afghanistan and Libya, NATO is a violent, dangerous and cruel war machine whose Ukrainian game of "chicken" with Russia was intended to kick off World War III. Prior to the rise of Commander Trump, the Alliance had been staging large scale war-games in Eastern Europe as part of an effort to bait Putin into drawing "first blood." With NATO expanded right up to the borders of Russia, the ultimate World War III tripwire was to be activated at any time -- and surely would have been by now had Satanic Witch Killary been elected President in 2016.

As for Germany, NATO, especially in recent years, has become a source of great stress and anxiety for that country which, amazingly, is now moving rightward. Situated at the center of Europe, the Germans understand that World War III would touch their soil very quickly. Sadly, for all these years, there was nothing Germany could do because the potentially powerful nation has been occupied and "kept down" ever since the fall of **The Great One** (*that's Hitler for all you newbies and normies*).

In service to the New World Order, FDR & Churchill, fronting for the Globalist conspirators at New York's Council on Foreign Relations (and also London's Chatham House) blew up Germany, Italy and much of northern France, subjugated the other nations of Europe, assisted the rise of the Soviet Union as a global military power (Lend-Lease, Yalta etc) -- and then established NATO as a military power to counter the very Soviet threat which they had deliberately created in the first place!

NATO is and has always been, a great big lie -- which was why the conservative anti-communist legend, Senator **Robert A. Taft (R-OH)** voted against NATO membership in 1949. In a speech following his "No" vote, Taft said:

"A joint military program has already been made... It thus becomes an offensive and defensive military alliance against Russia. I believe our foreign policy should be aimed primarily at security and peace, and I believe such an alliance is more likely to produce war than peace. A third world war would be the greatest tragedy the world has ever suffered. Even if we won the war, we this time would probably suffer tremendous destruction, our economic system would be crippled, and we would lose our liberties and free system just as

Tell it Senator. Tell it!

Nothing had changed since Taft's times -- until the Q Operation went live! During Commander Trump's first term, in July of 2018 to be precise, the "Editorial Board" of **The Anti-New York Times** wrote:

"Let us all hope that the Trump-Putin understanding that has got Sulzberger's Slimes all agitated marks the beginning of the end for this purely offensive military organization."

Nailed it! Stick the Devil's pitchfork in NATO -- it's over.

*1. In 1949, Robert Taft -- "Mr. Republican" -- warned that NATO would actually become an offensive organization that could one day drag the United States into World War III. By that time, Taft was on track to become president in 1952. The Globalists then recruited **NATO Commander** General Dwight D. Eisenhower to actually steal the nomination from Taft at the 1952 GOP convention. (Read "[I Don't Like Ike](#)," by M S King) // 2 & 3. The merciless and murderous bombardment of Yugoslavia and Libya dispelled the myth of NATO existing as a "defensive" organization.*

Boobus Americanus 1: I read in The New York Times today that Trump is suddenly dumping Ukraine in favor of Russia.

Boobus Americanus 2: Well, I'm no fan of Vladimir Putin -- but that war had to end.
