~~Alice Weidel, center, when she had announced her candidacy for chancellor.~~

NY Times: Meet Germany's Far-Right Leader, a Study in Contradictions

Alice Weidel of the nationalist, anti-immigrant Alternative for Germany lives in Switzerland and is married to a Sri Lankan-born woman. She had led her party to second place before Sunday's election.

Rebuttal by

Over the course of the past few years, the "Editorial Board" of **The Anti-New York Times** has viewed the unexpected ascendancy of Germany's "far right" **Alternative for Germany (AfD)** Party with a paradoxical mix of hopeful optimism (*due to its conservative "Make Germany Great Again" policy positions*) and repugnant skepticism (*due to its leader being a lesbian "married" to a Sri Lankan and with two adopted children.*) This weird duality is described in the article:

*"Alice Weidel's nationalist party campaigns on a platform that is **anti-immigrant and defines family as a father and a mother raising children**. A favorite of the new American administration – receiving an endorsement from Elon Musk – she has been essential to AfD's effort to break into the mainstream, helping to vault the party into a comfortable second place ahead of Sunday's national election.*

*Ms. Weidel **has lent a more cosmopolitan image to a party** that has been linked to neo-Nazis and plots to overthrow the state. But her AfD is no less extreme. **"With Alice Weidel at the helm, the AfD has steadily become more radical,"** said Ann-Katrin Müller, an expert on the AfD who reports for Der Spiegel, one of Germany's most prominent news outlets."*

Could it be that for the physically occupied, mentally raped, guilt-stricken and severely libtarded nation of Germany, the scriptwriters at **White Hat Productions** purposefully cast a "married" lesbian to protectively front for what is truly an economically, geopolitically and *culturally* conservative party? Indeed, Weidel's "woke" sexual credentials seem to have so blunted the effectiveness of the attacks on AfD as "neo-Nazi" that many of Germany's young people are actually turning to AfD -- as evidenced by numerous Tik Tok videos proliferating online. Of course, in the long term, all of this LGBT filth has got to be swept back into the

"I don't want anyone with their gender idiocy or their early sexualisation classes coming near my children."

Hmmmmmm. Can't argue with that.

1. Whether by consequence or by deliberate design, Alice Weider's "lifestyle" has greatly facilitated the AfD's adoption of "far right" policies in Globalist / Libtarded Germany. // 2. Elon Mask and Alice Weider are both part of the international Q Operation. // 3. Further aided by staged White Hat "migrant" false flags, AfD is surging in Germany.

On her father's side, Weidel's family was, in 1945, cruelly driven out of German Silesia by the vindictive Jewish Bolsheviks who, under Stalin's protection, had seized Poland -- the nation which, at the behest of the UK & FDR, had actually started the war in 1939. Weidel's grandfather **Hans Weidel**, had been an NSDAP judge, *appointed directly by Adolf Hitler himself*. He had joined the NSDAP at the end of 1932 and the **SS** in January 1933. Grandfather Weidel lived until 1985, which means that little Alice was age 6 when he died.

Alice Weidel's father was also six years old when the family was "ethnically cleansed." So, she is no doubt well aware of this historical injustice inflicted upon her family and Germany in general -- and even once made [a "controversial" statement](#) about "border revision" which upset the Poles.

Is this character -- who one German TV personality referred to as a "[Nazi slut](#)" -- really even a "married" lesbian? Maybe, maybe not. But one thing is certain. AfD's right wing policies are anti-Globalist, pro-Trump, pro-Putin and Germany First. For now, that's about as good as it gets in Germany. Baby steps.

The election is this upcoming Sunday. Let's see what happens.

NY Times: Weidel has **consistently refused to distance herself** from her party's most extreme members, some of whom have minimized the Holocaust and Germany's Nazi past.

1. Grandpa Weidel was SS -- which is as hardcore pro-Hitler as it gets. // 2 & 3. With minimal notice, the Germans of Silesia were driven out of their homes and towns with only that which they could carry. Alice Weidel's father would have been old enough to remember this atrocity.

Boobus Germanicus 1: I read in the Berliner Zeitung today that AfD is Nazi.

Boobus Germanicus 2: But how can the AfD be Nazi? Their female leader is in a biracial lesbian relationship?

St. Sugar: That'ss right, Boobuss. You may vote AfD now!
