A few years ago, a new "annotated" edition of The Great One's "**Mein Kampf**" was published in France. The notes were said to "contextualize" Hitler's text with critical quackademic commentary. Of course, all shekels generated from the sales were dutifully turned over to the insatiable greedy shysters at the Auschwitz-Birkenau Foundation.

Heaven forbid that some curious researcher or careless normie should stumble across a pure version of Hitler's "Mein Kampf" online and come away gobsmacked -- thinking to himself *(as he nervously looks over his shoulder while wetting his underwear)*: --- "Ya know. A lot of what Hitler said here actually seems to make sense." So, to counter the possibility of such an inconvenient "red pilling" -- *(swallowed my pill this way in 1999)* -- the 2021 French version of the 1924 classic came heavily "annotated" with "expert" guidance from "more than a dozen" Fake Historians whose diversionary cheap shots exceeded Hitler's word-count by twice as much!

Horowitz, and **Andreas Wirsching**, the director of the Institute of Contemporary History in Munich, which crapped out an earlier, "annotated" German version a few years ago.

From a New York Slimes review of the work:

"Each of the 27 chapters is prefaced by an introductory analysis, and Hitler's writing is meticulously annotated, line by line, with commentary that debunks false statements and provides historical context."

In other words, don't be fooled by Hitler's facts, logic, compelling presentation and striking parallels to today's sad situation. Your instincts are wrong. The esteemed circle-jerk "historians" will "debunk"™ Mein Kampf for you.

1. The stand-alone 1924 version is so convincing that it requires two words of "annotation" for every word of the original in order to "debunk" it. // 2 & 3. The lead "annotators" -- Brayard of France and Wirsching of Germany. Ah, show us the shekels, gentlemen. Show us the shekels.

"Historical context," for Mein Kampf eh? Have a look at what was being done to Germany during the early 1920's -- horrors that are surely downplayed or not mentioned at all in the "annotations."

Life savings wiped out by the Jewish Banking Cabal's imposed hyperinflation -- thousands, and then MILLIONS of Marks for a postage stamp. --- Five years after World War 1 had ended, French, French African & Belgian occupiers in the Ruhr region were still extorting raw materials and keeping the disarmed German citizens in check at bayonet point.

German resisters were killed.

NO WONDER MEIN KAMPF HAD A "HATEFUL" TONE!

Because Mein Kampf is freely available online or sold by "far-right" publishers, Fayard argued that it was necessary to publish a "critical version" in order to "deconstruct" the text. The annotated book was targeted more towards quackademics in order to train them in the method of "debunking"™. The initial print run was only for 10,000 copies, with some free

sure that the fake historians behind this literary bastardization have already received nice career benefits for having contributed to the never-ending slander of The Great One. That's how Quackademia operates.

In spite of this underhanded effort to tarnish a great book, it represented a victory of sorts for the truth. Though we suspect that the original text was monkeyed around with a bit, the fact remains that Internet activists have forced (((them))) to publish and release Mein Kampf -- albeit accompanied by a bunch of other junk. Diamonds sprinkled on a pile of horse manure are still diamonds; and if a handful of the more astute and open-minded readers have got the stomach to pluck them out and shine them up a bit, that's infinitely much better than total censorship.

The same deep-pocketed shyster who controls the Holohoax racket and the book publishing world has now -- through his agents in Quackademia -- graciously "annotated" Mein Kampf for us (much like the Scofield Bible was more than 100 years ago)

In the belief that original source history is the best form of historical narrative -- and that "youse guys" don't need to be held by the hand and guided "line by line" like little helpless retards -- the "Editorial Board" is pleased to present some classic lines from Mein Kampf -- without any annotated anesthesia:

"If, with the help of his Marxist creed, the Jew is victorious over the other peoples of the world, his crown will be the funeral wreath of humanity and this planet will, as it did thousands of years ago, move through the ether devoid of men."

"All this (Jewish press slander) was inspired by the principle - which is quite true in itself - that in the big lie there is always a certain force of credibility; because the broad masses of a nation are always more easily corrupted in the deeper strata of their emotional nature than consciously or voluntarily; and thus in the primitive simplicity of their minds they more readily fall victims to the big lie than the small lie, since they themselves often tell small lies in little matters but would be ashamed to resort to large-scale falsehoods."

"To what an extent the whole existence of this people is based on a continuous lie is shown incomparably by the Protocols of the Elders of Zion, so infinitely hated by the Jews. They are based on a forgery, the Frankfurter Zeitung moans and screams once every week. This alone

"The ignorance of the broad masses about the inner nature of the Jew, the lack of instinct and narrow-mindedness of our upper classes, make the people an easy victim for this Jewish campaign of lies."

"For while the Zionists try to make the rest of the world believe that the national consciousness of the Jew finds its satisfaction in the creation of a state in Palestine, the Jews again slyly dupe the dumb Goyim. It doesn't even enter their heads to build up a Jewish state in Palestine for the purpose of living there; all they want is a central organization for their international world swindle, endowed with its own sovereign rights and removed from the intervention of other states: a haven for convicted scoundrels and a university for budding crooks."

"While from innate cowardice the upper classes turn away from a man whom the Jew attacks with lies and slander, the broad masses from stupidity or simplicity believe everything. The state authorities either cloak themselves in silence or, what usually happens, in order to put an end to the Jewish press campaign, they persecute the unjustly attacked."

"Culturally, the Jew contaminates art, literature, the theater, makes a mockery of natural feeling, overthrows all concepts of beauty and sublimity, of the noble and the good, and instead drags men down into the sphere of his own base nature. Religion is ridiculed, ethics and morality represented as outmoded, until the last props of a nation in its struggle for existence in this world have fallen."

Tell it, Great One. Tell it!

1. 'Goodfellas' -- Hitler and his crew in Landsberg Prison, 1924. While incarcerated there for attempting to overthrow the local government in Munich, Hitler dictated Mein Kampf (originally titled: "Four and One-Half Years of Struggle Against Lies, Stupidity and Cowardice") to Rudolf Hess (2nd from the right) // 2 & 3. His is the story of an amazing journey from a humble teen orphan to homeless artist to wounded war hero to political activist to immortal leader of a great nation -- an inspiring tale for the ages which needs no "annotations." 88! --- Read [THE BAD WAR](#)
