When a Pope Dies?

Rebuttal By

Like **Ruth Bader Ginsburg, Queen Elizabeth & Queen's Consort Prince Phillip, George HW Bush, Diane Feinstein, "Sir" Jacob de Rothschild, "Sir" Evelyn de Rothschild, Jimmy Carter** and other elderly Deep Staters, "The Editorial Board" of The Anti-New York Times is of the opinion that such characters were "dealt with" (*Carter may have died naturally*) and then kept on ice until they could be killed off by "old age." Due to their advanced ages, it was probably deemed to be "bad optics" to publicly "perp walk" and kill them in their late 80s & 90s. British loyalists and devout Catholics would never be able to process it.

We remain optimistic that **White Hat Productions** will not script such "off camera" deaths by natural causes for the likes of **Killary, Obama, Biden, Macron, Trudeau** et al. No sir. We want executions (replays) -- preferably televised. We'll grant you Poop Francis and Queen Lizzie; but the death of these other less "deified" political monsters by "natural causes" would only represent an 80% justice in our book -- as well as a squandered opportunity to teach Normies a long overdue lesson.

Queen Elizabeth // Ruth Ginsburg // George HW Bush

The Q Reaper has already claimed some of the more advanced age Deep Staters. The "ailing" Poop Frankie, we believe, was also "dealt with" some time ago.

The Vatican coup of 2013 was a Deep State operation which installed an Argentinian communist homosexual as what Time Magazine gleefully dubbed "**The New World Pope.**" From Day 1, the Atheist media's peculiar obsession with the man previously known as Cardinal **Jorge Mario Bergoglio** was a clear "tell," as they say in poker parlance, that this man was a villain. A bit of basic sleuthing into his background soon revealed his connection to and affinity for a number of Argentinian communists from that nation's internal bitter military vs Marxists struggles of the 1970s and 1980s. In response to allegations of Marxism from radio legend Rush Limbaugh, the anti-Christ Poop Frankie once declared:

Praised and honored by the likes of Bathhouse Barry, Big Mike, Nancy Pelosi, Al Gore, Bill Clinton et al., the puffed-up poofter Pope wasted no time in watering down and Marxifying Catholic doctrine for the 1.3 billion faithful. He softened the church's stances on abortion, homosexuality & transgenderism; he preached open borders policy; he went full retard on the Global Warming™ / Climate Change hoax™ --essentially declaring non-existent manmade effects due to CO2 as "sinful," -- and he dumped on Trump, albeit not by name. But it gets worse.

Traditional conservatives within the church hierarchy were systematically purged while apparent homosexuals / pedosexuals and adherents of crypto-Marxist **"liberation theology"** were protected and even placed in higher positions. Finally, in 2019, Frankie really showed his true Red colors by addressing, via video feed, the annual "World Government Summit," held in Dubai. The "New World Pope," indeed!

Ding dong, the Poop is dead. May the Vatican and traditional Catholicism soon experience a true moral revival. Qardinal **Carlo Maria Vigano** -- get ready sir. The White Hats may be calling you to service as the next Vicar of Christ.

Flattering Time Magazine covers and a "Person of the Year" cover from the homosexual "Advocate" tell us all we need to know about the "New World Pope."

"There are those who believe that **"the Pope is already deceased"** and that this fact is being kept hidden from the public....

There are those who have every interest in burying their own crimes – along with those of Bergoglio – while in the United States **there is a head-on clash of the US Bishops' Conference against the Trump Administration**, after the scandal regarding the funds of the Agency for International Development (USAID) has brought to light the complicity of the Catholic Church in the lucrative business of immigration.

It is necessary to prevent the progressive hierarchy from ensuring that one of their own is Bergoglio's successor, that is, another usurper on the Throne of Peter who will be the heir and continuator of the previous one. Before hammering the final nail into Bergoglio's coffin, it is therefore essential and urgent that light be shed on the usurpation he
