NY Times: Under Trump, America's New Friends: Russia, North Korea and Belarus

***When it comes to the war in Ukraine, President Trump finds common cause with the
world's outlier states and stands against traditional U.S. allies like Britain, France,
Germany, Canada, Japan and Italy.***

In the context of unfolding history -- even the more directly relevant contemporary

ANY 1'S analysis for all this time, in the grander scheme of things, the fundamental change in our world is astonishing to behold -- and "the best is yet to come."

Consider this: From 2017-2019, **Commander Trump** was under 24/7 Piranha Press attack for being "Putin's Bitch." During that time, the dreaded "**Mueller Investigation**" seemed destined to not only derail his young and badly damaged presidency, but -- once removed from or voted out of office -- quickly put us back on the Bush-Obama paved pathway toward World War 3 against the Russia-China Alliance. Things were so bad that Trump was compelled, for the sake of "optics," to openly criticize "the new Hitler" of Russia. Dark days indeed -- or so it seemed.

But now, as this Times article confirms, **Commander Trump** and **Vlad the Bad** are fully "out of the closet" with their "bromance" as the dangerous NATO war machine, in essence, disintegrates before our very eyes. "Nothing's happening," eh Sunshine Patriots?

The "Russia-Russia-Russia" Deep State coup attempt launched at Trump was intense and pervasive. Little did they know that Trump and the White Hats had a counterplan in place which would turn the tables against the coup plotters and lead to the secret arrest and execution of many of them (soon to be "replayed").

A bit of horn-tootin' is in order here because, once again, "The Editorial Board" of The Anti-New York Times told ya so --- repeatedly throughout the period 2017-2019. Let's Flashback to a **March 24, 2019** issue, immortalized on the Internet Archives from our "TomatoBubble.com" days.

FLASHBACK 2019:

All of Marxist Libtardia is now stunned and saddened over the sudden realization that after nearly two years and many millions of dollars, the investigation of their sainted **Robert Mueller** into Trump-Putin election "collusion" and/or "obstruction" is apparently about to serve up a big fat "Nothing Burger" to the country. Though the depleted (*Sugar had recently passed away*) "Editorial Board" of **The Anti-New York Times** has known for a long time that Mueller was actually working for Trump; the Board is stunned that these ass clowns are so stunned. Did these pabulum-puking piranhas actually come to believe in the bullshit which they had pooped out these past years? Evidently so. One has to admit,

Who is laughing now? --- Trump knew all along that the "Mueller Investigation" would end with a big "Nothing Burger" because he was the one who picked Mueller to gather dirt on Killary Clinton and friends while the Fake News focused on him instead!

More than a few of "youse guys" (*Jerseyese for the plural of 'you'*) scoffed at this notion -- insisting that ex-Marine Captain Mueller (*who had actually met with Trump just three days before he was appointed!*) was a Deep State operative out to do serious harm to Trump. In the light of the agitated depression now overtaking the Fake News and Demonrats, do you believe us now? Back in **October 2017**, with Sugar taking the lead, the ANYT posted the following images and caption:

From 2017 // Before Q's First Post

Could we be witnessing a massive and brilliantly devised reverse-psychology "sting operation?"

(Back to 2019 piece, about a year & 1/2 into Q)

We strongly suspect that the data legally gathered by the Mueller team was funneled into actual investigations of Killary, Obongo and a whole lotta other big names in the worlds of media, academia, business and government. Q -- who has been assuring us all along that nothing would happen to Trump -- is now boldly proclaiming that with the end of this investigation, a new offensive phase is about to begin. Q recently posted:

"You are witnessing the collapse of the largest pre-planned and coordinated propaganda event in modern day history. Projection' 101

And

"Their only defense is to play 'dumb' (shocked & surprised) to avoid 'collusion' claims. Nobody walks away from this."

Predictably, Fake News attacks on Q Anon are indeed intensifying. All for a hoax?

murderer with Q written on hand. (now convenient)

END OF 2019 FLASHBACK

Nailed it.

And now, 6 years later, European libtard leaders (*or their stand-ins*) are clearly "on the ropes" as "authoritarians" (*nationalists*) emerge and engage with America's new secret military regime. We've come a long way baby. Well played, Commander Trump and Agent Mueller. Well played.

Trust the plan.
